Bid Package Contents

- Invitation to Bid
- Instructions to Bidders and General Terms
- Technical Requirements
- Bid Form and Pricing Schedule
- Bidder Certifications and Signature
- Attachment A - Vehicle Specifications

A complete bid must include the completed Bid Form, pricing schedule, identified exceptions or deviations, acknowledgment of all addenda, and an authorized signature.

Instructions to Bidders

- 1. Sealed submission.** Submit the bid in a sealed envelope clearly marked as directed in this package. Facsimile and email submissions will not be accepted unless the County issues a written addendum authorizing another method.
- 2. Complete response.** Complete every applicable blank. Sign the Bidder Certifications and Signature page. If an item does not apply, enter N/A rather than leaving the field blank.
- 3. Pricing.** Quote an all-inclusive firm unit price for the first five vehicles and a firm unit price for additional vehicles. Prices must include destination, freight, dealer preparation, documentation charges, and all other costs necessary to deliver conforming vehicles to Pike County. Separately stated or undisclosed charges will not be added after award.
- 4. Quantity.** The County intends to purchase at least five vehicles and may purchase additional vehicles at the quoted additional-unit price, subject to availability, funding, and Commission approval. The County does not guarantee a quantity above five.
- 5. Specifications and equivalents.** Attachment A states the requested configuration. A bidder proposing a comparable product or any deviation must identify it in writing and provide enough information for the County to determine whether the offered vehicle meets or exceeds the requirement. Silence will be treated as full compliance.
- 6. Conflicts in specifications.** The Technical Requirements in this package control over conflicting language in Attachment A. In particular, black is the required exterior color, and the reference to GAZ Summit White in Attachment A is deleted. References that expressly apply only to 4WD or non-police configurations are informational and do not change the required 2WD Police Pursuit Vehicle configuration.
- 7. Questions and addenda.** Request clarification from the County Administrator before the bid deadline. Only a written addendum issued by the Pike County Commission may change this solicitation. Oral explanations are not binding.
- 8. Bid validity.** The bid must remain firm and available for acceptance for 60 calendar days after the bid deadline unless the bidder states a longer period.
- 9. Modification or withdrawal.** A bidder may modify or withdraw its bid by written notice received before the deadline. A bid may not be modified after the deadline except as permitted by applicable law.
- 10. Public records.** Bid materials may become public records after opening or award, subject to Alabama law. Clearly identify any information claimed to be confidential and state the legal basis for the claim; marking an entire bid confidential is not sufficient.

General Terms and Conditions

- 1. Award.** The Pike County Commission will award in accordance with applicable law to the lowest responsible bidder whose offer is responsive to the solicitation and best satisfies the stated requirements. The County may consider conformity, delivery, warranty, service support, bidder responsibility, and other lawful factors.
- 2. County rights.** The County reserves the right to reject any or all bids, waive minor informalities when lawful, request clarification, and cancel or resolicit when in the County's best interest.
- 3. Taxes.** Pike County is exempt from Alabama sales and use taxes. The bidder must not include taxes from which the County is exempt in the bid price.
- 4. New vehicles.** Each vehicle must be new, unused, and titled as a new vehicle. Demonstrators, previously titled vehicles, and vehicles with material damage or use are not acceptable unless the County gives prior written approval.
- 5. Delivery and risk of loss.** Delivery must be made to the location designated by Pike County. Title and risk of loss remain with the successful bidder until delivery, inspection, and acceptance by the County.
- 6. Inspection and acceptance.** The County may inspect each vehicle for conformity. The successful bidder must promptly correct or replace any nonconforming vehicle at no additional cost.
- 7. Warranty.** Provide the full manufacturer's standard warranty and all applicable police/fleet warranty coverage. Warranty documents and owner's materials must be delivered with each vehicle.
- 8. Payment.** Payment will be made after delivery and acceptance of conforming vehicles and receipt of a correct invoice, subject to County procedures. No deposit or prepayment is authorized unless approved in writing by the Commission.
- 9. Compliance with law.** The bidder and successful vendor must comply with applicable federal, state, and local laws, including applicable Alabama competitive bid and immigration compliance requirements.
- 10. Governing law.** The resulting purchase is governed by the laws of the State of Alabama. Any contractual terms submitted by a bidder that conflict with Alabama law or the County's bid terms are rejected unless expressly accepted in writing by the Commission.
- 11. No assignment.** The successful bidder may not assign the award or purchase obligation without prior written approval of the Pike County Commission.
- 12. Order of precedence.** A written addendum controls over this package; the Technical Requirements control over Attachment A where expressly stated; otherwise, the County's bid package controls over a bidder's standard terms.

Technical Requirements

Bidders must offer vehicles that meet the requirements below and the applicable equipment and options in Attachment A. All vehicles furnished under an award must be identically configured unless Pike County approves a change in writing.

Item	Requirement	Minimum specification
1	Quantity	Base bid for five vehicles; quote additional-unit price and maximum additional quantity available.
2	Model year	2027.
3	Vehicle class	New full-size, four-door sport utility vehicle configured as a factory Police Pursuit Vehicle.
4	Drivetrain	Two-wheel drive / rear-wheel drive.
5	Exterior color	Black. Any reference to GAZ Summit White in Attachment A is deleted.
6	Police package	Factory police pursuit package with all applicable listed police equipment, wiring, electrical capacity, cooling, braking, suspension, and safety features.
7	Engine and transmission	5.3L V8 engine and 10-speed automatic transmission, or an approved equal that meets or exceeds the stated performance and duty requirements.
8	Interior	Black cloth seating and black rubberized vinyl floor covering; third-row seat delete; configuration consistent with the listed police package and requested options.
9	Specifications	All applicable requirements in Attachment A, including the requested equipment and manufacturer option codes, subject to the conflict rules in this package.
10	Warranty	Manufacturer's standard new-vehicle and powertrain warranties, including any longer coverage applicable to qualified government or fleet vehicles.
11	Delivery	State a firm estimated delivery date. Vehicle must be delivered ready for inspection, titling, and normal operation.
12	Documentation	Provide window sticker/build sheet or equivalent, warranty materials, owner's manuals, keys/fobs, and documents required for title and registration.

Attachment A Interpretation

- Black exterior color controls; Summit White is not acceptable.
- The requested vehicle is 2WD. Descriptions expressly limited to 4WD do not create a 4WD requirement.
- Police-package features and requested option codes control over conflicting descriptions of standard retail equipment.
- The bidder must list every exception, substitution, unavailable item, or model-year change on the Exceptions and Deviations page.
